BEREA HIGH SCHOOL

KNAPP HALL

HISTORY OF THE BEREA CITY SCHOOLS

In 1855 the Berea City School had its beginning as County School District No. 16, a very small school of pupils from six to eighteen years of age. The highest attendance that year was 24, the lowest was 7, the average attendance, 19. School was in session for three months. The students were charged \$2.50 tuition; the state allocated \$50; and the local people subscribed \$10, lumber, and labor toward the first school building. The first trustees were Ferguson Moore, Thomas Jefferson Renfro, and John G. Fee. The first teacher was William E. Lincoln, an Oberlin College (Ohio) student, who taught during his vacation - hence the three-month school term.

Three years later, in 1858, when John A. R. Rogers came to Berea, he added a pay (subscription) school to the town school. A year later, in 1859, this subscription school was closed because of the teachers' views on slavery. The town school, however, continued uninterrupted with Miss Rawlings as the teacher. After the Civil War, Fee, Rogers, and others returned to Berea, but they no longer used the town school building. The exact date of our beginning as an independent district is not known, but it was probably about 1890, when the town of Berea was incorporated.

An article printed in The Citizen on March 15, 1917, states that a two-year high school had been added to the city school. The two rooms set aside for the high school classes were heated with portable kerosene stoves.

In 1929 Berea High School graduated its first four-year class. The ten members of that class were:

Helen H. Cornelius
Clinton C. Hensley
Lillian Hutchins
Walter McKeegan
Gladys Oliver
Ella Mae Powell
Charles Frederick Rominger
Adith M. Smith
Wilbur Wynn
Thurman Todd

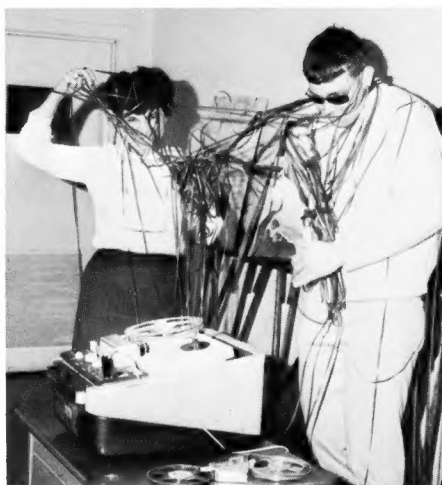

In 1968 the Berea City School enrollment was 582 elementary students and 211 high school students; forty-three were graduated from high school. We occupy 35 rooms for classrooms and need more. Our alumni association boasts over 850 members.

IN LOVING MEMORY

Sorry Kenny, you just have to have the woman's touch.

If we could only find
the end to this!

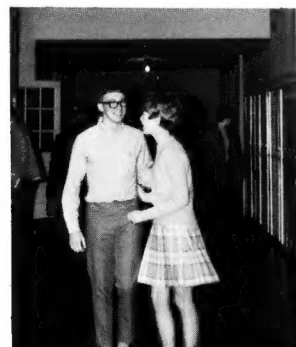

Yes, we're at it again.

Hurry! She's not looking.

Put up the cards!
Here comes Mrs. Cook!

With a song in my heart,
and a boy on each side.

Why am I always left out? The
T.V. said 24-hour protection!

The Senior Class of 1967-68 was the most unpredictable class to come along in the history of Berea High School. They failed more tests, they went in the hole more often, skipped more classes, irritated more teachers, and ruined more reputations than any one class anywhere. We wish all of our underclassmen the best of luck in their years to come at Berea High.

The Berea High Pirates were trained by Larry Marmie, Head coach, who is a graduate of Eastern Kentucky University. Marmie, in his two years at Berea has recorded 11 wins, 8 losses, and 1 tie. He has provided strenuous fall programs which produced great enthusiasm. Assistants were Floyd Hines, a Berea College graduate, also in his second year as assistant and head-line coach, and Charles Eckler, a Berea College graduate who coached the receivers. Interested aides were Glydon Miracle and Greg Merrill.

DEFENSE

OFFENSE

Left: The Pirates exhibit ball-hungry defense which provides a victory over Madison.

Right: Linemen await that crucial moment of contact during the Madison game.

The 1967 Berea High Football team may well have been one of the best to ever wear the black and white. Although the won and lost record wasn't the best, the caliber of teams they played and the number of injuries suffered would have taken its toll on any team.

The majority of the team were really dedicated young men and, even after several tough losses, came back each week to give a 100% effort. These boys worked from January to the opening game to try to give Berea High School a football team they would long remember.

Everyone will remember the tremendous leadership and play of the two senior co-captains, Glyn Green and Paul Reynolds, both of whom received college scholarships and numerous post-season awards. Nine other seniors will be very sorely missed. The hard work of all the under-classmen, who worked with tremendous enthusiasm, and from whom a lot must come next fall, is duly appreciated.

The Pirates opened the season with a 34-0 pasting of Burgin behind the strong offensive leadership of Green, Shupe, Davis, and the defensive efforts of Reynolds, Evans, Baugh, and Coyle. Next came the Commodores from Tates Creek. The Pirates never looked better behind a crushing offense and an air-tight defense which sent them back to Lexington to the tune of 28-6.

Then came two successive losses at the hands of Garrard Co. and Scott Co. and the injuries began to take their toll.

We got back on the winning trail with a 41-0 win over Mercer Co. and a 13-13 tie with homecoming foe Simon-Kenton.

These were followed by three successive losses to Georgetown, Frankfort, and Covington Catholic.

The last game of the season with rival Madison High ended in a 7-6 victory for the Pirates and it was an extremely good win because the Pirates had five starters on the sideline with injuries. Under-classmen such as Bryan Reynolds, Jim Dean, and Jerry Lowery in their first starting assignment came through like veterans. It was Berea's first win over Madison High in football.

POST SEASON AWARDS

Glyn Green - QB - Honorable Mention All-State, East-West All Star Game, Football Scholarship to Eastern Kentucky University, Richmond, Ky.

Paul Reynolds - G - 1st Team class A All-State, Most Valuable Player - Football Scholarship to Kent State University, Kent, Ohio.

COACH MERRILL

GOLF TEAM

Because of an inexperienced and young team Berea went 0-9 for the season. With only one letterman returning, Coach Merrill had his trying days. Junior Jim Moore won 8 matches and lost 1. Some of the inexperienced players gave impressive showings.

They play like they look!

Looks good.

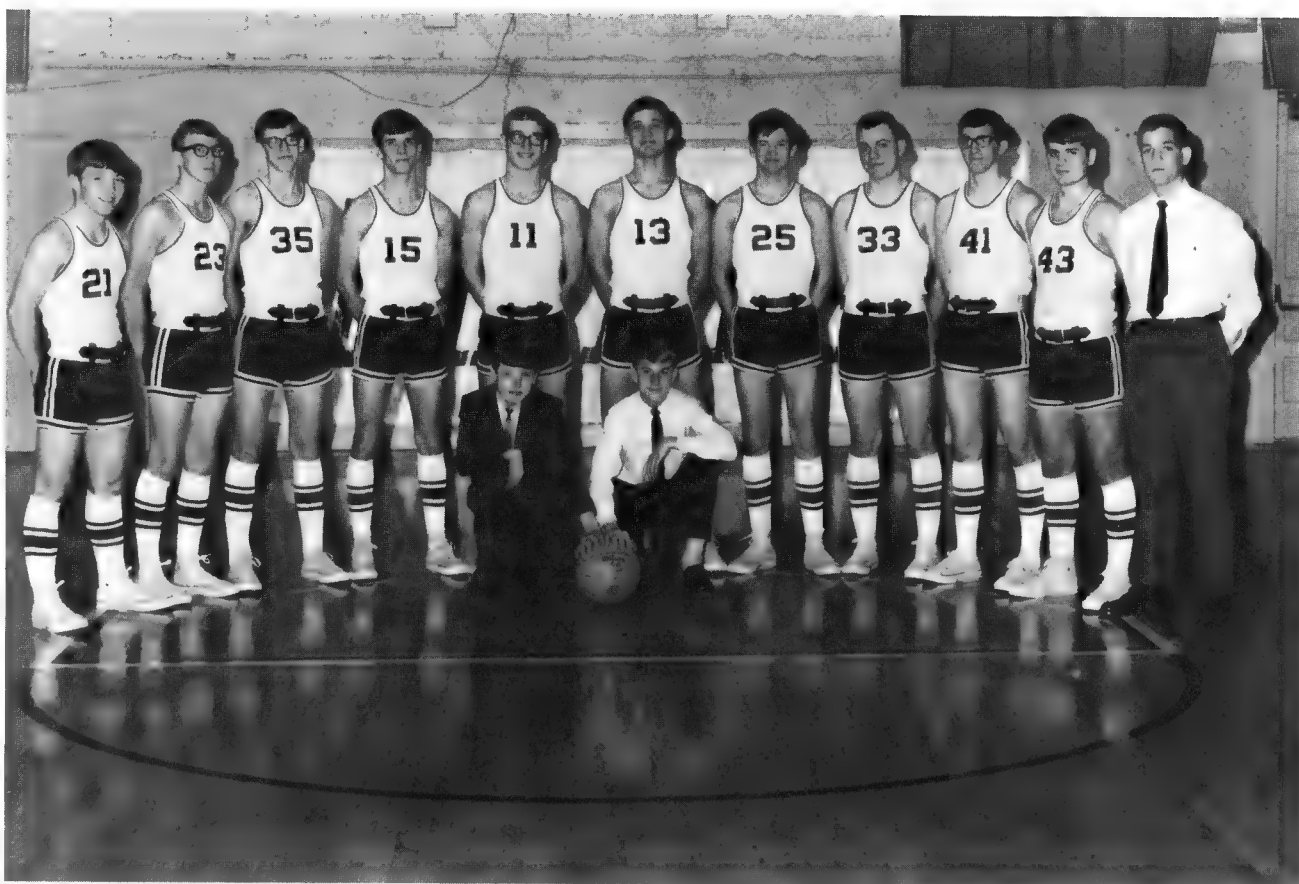

Amazing!

You can tell a great golfer by his caddy.

VARSITY

FRONT: Carl Anglin and Jeff Baugh, managers. BACK: Charles Evans, Mike Baugh, Tommy Thompson, Donnie Shupe, Donald Blackburn, Ronnie Devere, Bunky Dalton, Larry French, Jim Moore, Glyn Green, and Coach Charles Eckler.

SEASON RECORD 7-17

In retrospect the past season's varsity showed marked improvement. Although we lost the services of one of our outstanding players in mid-season, we were able to bounce back and play very good basketball the remainder of the year. We lost three starters and two reserves by graduation and each one of these young men has made a big contribution toward the improvement of Berea High's basketball program.

SENIORS

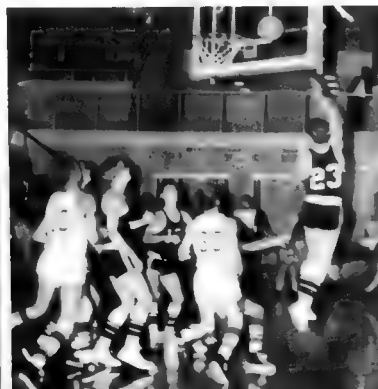

Ronnie Devere, a senior, was the leading scorer with a 15.7 average per game for the year. Donald Blackburn, also a senior, took rebounding honors with an 8.2 average per game.

"B" TEAM

FRONT ROW: Lowery, Miller, Kiteck, Martin, Evans, Dalton, Baugh, manager, Marmie - Coach. BACK ROW: Hart, Reynolds, Pope, Duerson, Thompson, Duerson, Hamilton.

SECOND ROW: Glyn Green, Darnell Martin, Ralph Gillespie, Trip Hamilton, Robert Curtis, Mike Fothergill, Robert Linville, Jim Dean.

GIRL'S TRACK TEAM

Barbara Hamilton, Janet Martin, Roberta Morris, Jan Davis, Beverly Cornelison, Robin Jones, Belinda Cummins, Ruth Barton, Scarlett Lake, Diane Cope, Marie Mundy, Lisa Pennington, Sara Walker, Carol Vaughn.

ACHIEVEMENTS

The best way to summarize the track team is by the record in the regional meet. Ralph Gillespie won first place in the shot-put and discus throw. Second place winners were Donnie Shupe in the 440 run; Mike Fothergill in the pole vault; Shupe finished fourth in the 220 run and Keith Mullins, in the high hurdles.

Other outstanding performers were Otis Broaddus, Glen Miracle, Kenny Rowlette, John Walker, and Stewart Martin.

Coach Floyd Hines in his first year worked hard to help the boys produce a good track team. Berea has some young boys so their future is bright.

The girls topped off the season by winning the Blue Grass Conference. Since they have nine members still in grade school and no seniors on the team the girls should be better in the future. The girls also did their share of inspiring the boys. The girls were coached by ex-Berea star, Thelma Hines.

BEREA HIGH SCHOOL

In its last year of existence, Berea High School (as we know it) took on one final addition: Knapp Hall Elementary School joined us. As the pictures show, there was no great difference in the students in each school, and everything worked out well.

DRAMATICS 1967-1968

"Oh, Mother, are you serious?"

"Could we have a little water in the radiator, to be sure?"

"Is that you, Gussey?"

"Five dollars?" "Ugh!"

"This must be love!"

SPEECH

Participants from Berea for the SPEECH FESTIVAL were: Prose: Judy Williamson, Teresa Upton, Susan Horton, Adrelle Horn. Poetry: Mary Margaret Abney, Diana Sharp, Connie Harris, Cindy Richardson. Dramatic Readers: Beverly Hamilton, Verna Green, Glyn Green, Ralph Gillespie. Story Telling: Rita Parker, Nancy Partin. Radio Announcers: Donald Shupe, Danny Dooley.

There are many facets of public speaking, one of which is discussion panels.

Below, the Speech Class gets into the "act."

COLORFUL BEREA

Though it is a popular belief that Berea is lacking in color and natural beauty, it is evident that much is taken for granted in our small community. Beauty is really an opinion, and is judged in the eye of the beholder.

1968 JUNIOR- SENIOR PROM

MRS. COOK

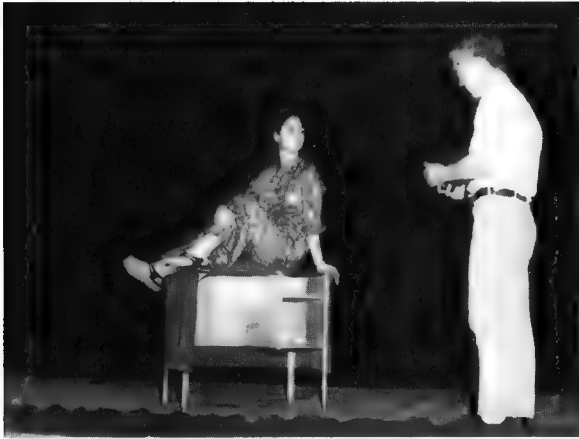

OUR ADVISOR

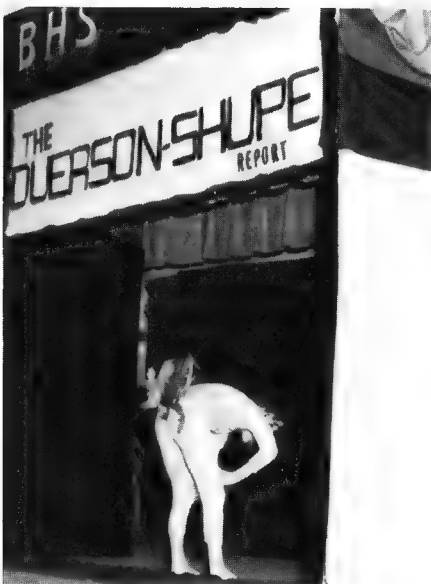

Each of us has many sides to his character. These pictures depict three sides of Mrs. Cook's character: understanding, cheerfulness, and wisdom.

She is always here when we need her to guide and direct us. Her wisdom and cheerfulness are a living example for us to follow. Her tactfulness and strictness keep us "on our toes" to learn and obey.

Often we do things that are uncalled for, causing her to unleash her corrective anger. But the calm after the storm is most rewarding.

Mrs. Cook, we would like to thank you from the bottom of our hearts. You will always occupy a very special place in our memories.

BACCALAUREATE

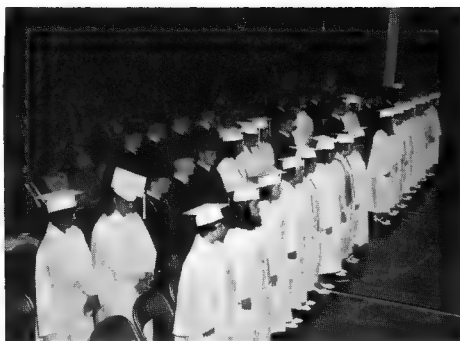

Looking back through the years in elementary and high school, it seems almost impossible to the seniors that they were destined to one night take their place in the auditorium in the same spot where the seniors before them had stood. Some people give credit to fate for all the successes and/or misfortunes that befall them; but the seniors of 1968 know that it wasn't luck that finally brought them through. It took many hours of study and patience to finish the last lap of the course.

Left to Right, 1st ROW: Isaacs, Sharp, Conner, Banks, Legear, Jennings, Britton, Upton, Partin, Calico, Green, Carter. 2nd ROW: Coyle, Powell, Moorhatch, Turner, Mullins, Parker, Mrs. Cook, Williamson, Hamilton, Barton, Cummins, Parker, Wray, Bracken. 3rd ROW: Walker, Broaddus, Evans, Asher, Green, Stanley, Shupe, Duerson, Gillespie, Devere, Parsons, Davis, Blackburn, Reynolds, Johnson, Reed, Mullins, Gadd, Dooley.

COMMUNITY
SCHOOL**

BEREA COMMUNITY SCHOOL

Construction has started on the new Berea Community School which is expected to be ready for occupancy by September, 1969. The Berea City School, Knapp Hall, and the Foundation School will then be combined in one institution. This is a cooperative venture with major contributions being made by the Berea Independent School District, the City of Berea, and Berea College.

The Berea Community School will be one of the most modern education facilities in the country, offering many advantages for both the students and the teachers. For example, the open-space concept makes it possible to arrange the classroom size to fit the needs of any particular class because there are sliding partitions instead of permanent room walls. Because of this principle, the total amount of usable space is also much greater. This concept is becoming more and more popular throughout the country as new schools are built.

The design of the Berea Community School will permit more individualized instruction for each student. There will be facilities for instruction in geography, languages, mathematics, music, science, and social sciences in addition to more specialized classes. The school will be accredited by the Southern Association of Colleges and Secondary Schools.

The four-unit structure of circular shapes will stand in a 56-acre tract of land. Of the three circular wings joined by a central unit, one will be for the elementary school, one for the high school, and one for the gymnasium with facilities for community events. The central unit will contain the cafeteria and the Henrietta Child Library. The interior will be entirely climate-controlled. The wings can be opened jointly or separately for community and school events.

The gymnasium will seat about 1000 for athletic events, and about 2000 for concerts and other programs when folding chairs can be added to the permanent seating. The circle set apart from the three wings is an open-air play shelter that can be used in any kind of weather.

Berea College contributed 40 acres of the building site for the Berea Community School. The college also, back in 1965, pledged \$100,000 a year for three years toward the construction costs which total \$2,398,000. The college, furthermore, agreed to pay the Berea Independent School District \$35,000 a year for five years for the privilege of using the school for teacher training purposes. Future payments will be negotiated after this first five-year period.

CO-EDITORS

***BEVERLY
HAMILTON***

***GLYN
GREEN***

We co-editors feel that our part in the "1967-68 Pirate" was very incidental. Considering the excellent staff we had and the indescribable advisor, Mrs. Cook, the chief editors were understandably not as important as in past years. We did, however, have a lot of fun and enjoyed (nearly) every minute of it.

The Editors
